- > **Engaging with your MP**

This day conference will draw upon a range of experience to explore different ways of engaging with and supporting refugees and asylum seekers across the North West. Organised in conjunction with refugee communities the event will increase your understanding of the experiences faced by asylum seekers in your area and help inform, equip and inspire you with practical ways to get involved.

If there are ways we can help you attend and participate such as transport, physical access, interpretation, dietary requirements, or childcare then please let us know.

Please help us by booking in advance for this event. Booking forms can be downloaded from the Boaz Trust website: <http://boaztrust.org.uk/support-us/events>

Alternatively call Boaz Trust on 0161 202 1056 to be sent a booking form by email or post.
